

May, 2025

Greetings from Waltham Open Studios!

Waltham Open Studios is pleased to announce our 49th annual Waltham Mills Open Studios weekend happening this November 1st – 2nd, 2025 from 12:00 pm to 6:00 pm. This year over 70 participating artists will be opening their doors to over 2000 visitors. It is because of charitable donations and sponsorship from community supporters like you, that we can keep Open Studios free and open to the public.

*We hope we can count on your support for this year's Open Studios!*

Studies show that investment in arts and cultural experiences enrich community, drive economic growth, and empower a new generation of creative thinkers. Open Studios offers a unique chance to explore a variety of art media and to interact with local, working artists while providing a rich opportunity for art enthusiasts, families, and members of the community to spend time together and explore vibrant downtown Waltham.

By investing in arts and cultural events like Open Studios you are contributing to sustaining this unique opportunity for arts and cultural engagement. Becoming a sponsor is also a great way to get the word out about your business or organization to visitors across the Greater Boston area.

Enclosed is a full description of the variety of sponsorship levels we offer that includes print, radio, and online publicity. Please contact us if you have any questions or would like to discuss additional ways to have a presence at our highly anticipated and popular Open Studios event.

Thank you for your support!

Sincerely,

*Jennifer Potts*
